Dear Local More at Four Contractors and Program Contacts:

The next TLU (Teacher Licensure Unit) Statewide Quarterly Update is scheduled for Wednesday, December 9, 3:15-4:45 p.m. This update will be conducted by Webinar. You must register for the webinar by following the link included with this message.

The TLU is designed to support teacher licensure for More at Four who work in nonpublic schools. The TLU provides mentoring and evaluation services that support teachers' attainment of the BK SP II license, as well as the management of the licensure process.

Any MAF teacher who works in a nonpublic school (Child Care Center or Head Start Program not operated by a Public School) must be enrolled with the TLU. See the OSR link at <http://www.osr.nc.gov/TLU/TLUindexNEW.asp> for more information and instructions about this process.

During the Webinar you will hear about current efforts to expand services across the state and a progress report from the most recent emerging pilots established this fall. An updated list of TLU Participants by mentor/evaluator assignments will also be provided, as well as waiting list teachers. We will also respond to your questions and comments.

If you have additional items that you would like addressed during this time, please submit those directly to Cindy Wheeler at cindy.wheeler@ncmail.net.

Thank you! We look forward to meeting with you next week.
